Reinforcement Adventure Schedule

2:30-2:55 pm

Children are to report to the cafeteria where a snack will be served and the children will be given an opportunity to have interaction with other peers before beginning homework.

2:55-3:45 pm

Homework/study/reading time. This is a time for students will be involved in academic activities reinforcing the strong foundation being built in the classroom.

3:45-6:00 pm

Supervised activities such as outdoor PE/sports/game activities, computer lab, video programs, cultural enrichment activities. Personal electronic devices are not permitted in after-school. Outdoor/indoor exercise is extremely important in the lives of our children so electronic device use will be limited.

Thank you so much for sharing your children with us in this after-school reinforcement project. We look forward to a great year as we strive to reinforce the growth and developmental skills of your child.

Patricia Griffin, Director

SCHOOL OF EXPLORATION
